Product Description

Steel Belly Lunch Box Set

Steel Belly Lunch Box Set from **Q2 Industries** is a stylish and practical food storage solution designed for carrying fresh homemade meals wherever you go. Made from premium food-grade stainless steel, this lunch box set features a unique belly-shaped design that provides generous storage capacity while maintaining a compact and elegant appearance. It is perfect for packing rice, chapati, curries, vegetables, snacks, salads, fruits, and other meals for school, college, office, or travel.

The **Q2 Industries Steel Belly Lunch Box Set** is manufactured using high-quality stainless steel that is resistant to rust, corrosion, stains, and daily wear. Its durable construction helps maintain the freshness and quality of your food, while the

smooth mirror finish makes the containers easy to clean and maintain. Designed for everyday use, this lunch box set is lightweight, strong, and built to withstand regular handling. Available in multiple sizes, it is suitable for both individuals and families looking for a reliable meal storage solution.

At **Q2 Industries**, we are committed to producing premium stainless steel kitchenware and lunch box solutions that combine durability, food-grade safety, and elegant craftsmanship. Every **Steel Belly Lunch Box Set** is carefully designed to provide long-lasting performance, hygienic food storage, and dependable quality. Whether you're heading to work, school, or a picnic, this lunch box set ensures your meals stay safe, fresh, and ready to enjoy.
